About ANJNEY

'ANJNEY' is a group of companies, engaged in the manufacture of quality Polymer Pipes, Pipe Fittings and Ball Valves since 1995. We are the first manufacturer of polymer Pipes, Pipe fittings & Ball Valves in India to be accredited as an ISO 9001:2000 Company by BVQI.

We remain committed to the development of state-of-the-art products and services that set industry standards, and help solve Chemical, Water & Air transmit challenges. The 17 years of practical knowledge, quality consciousness, hard work, use of latest technology and regular up-gradation have been our guiding principles. The efforts of all members of the Company including that of the employees and workers have contributed to the rise of the Company to newer heights.

We continuously make efforts to enhance our product & service, to delivery value for money to our customer & inline to this aspiration we have developed following products :
